OPEN LETTER FROM THE BLUE SKIES FOUNDERS

Blue Skies Family,

Welcome to TFX WWTR Alumni Reunion 2020, it’s certainly been a tough year for our nation. After a great deal of consideration, our Blue Skies Steering Committee decided that it was more important than ever to bring together the Blue Skies family, to share fellowship and love, wrapped in the usual life-enriching experiences.

Within Ohio, many venues are reopening with COVID-19 Protocols, because of this TFX WWTR is greatly scaled-back. Safety is our top priority, as such the event will follow the Ohio Department of Health Responsible RestartOhio Protocols, laid out in great detail at this website: https://coronavirus.ohio.gov/

All participants assume the responsibility to make the best decision for themselves personally and their family. As you review the schedule, know that TFX WWTR 2020 is significantly scaled back in scope, primarily due to the pandemic. We are asking our volunteers and sponsors both to limit their participation, to limit the overall size of the gatherings.

Blue Skies & God Bless

COVID-19 PRECAUTIONS

COVID-19 Plan WWTR 2020
It’s important that we all respect the current state of the COVID-19 Pandemic. In the final analysis, the planning team is taking reasonable and widely accepted precautions, however, it is up to each individual to make a personal decision whether they plan to attend WWTR 2020 or not.

Individual Considerations:
• Have you been in contact with someone with COVID?
• Have you had a temp of 100.4 or higher in the last 48hrs?
• Have you traveled to an area that has seen a significant increase in cases within the past week?
• Are you immunocompromised or have a weak immune system?
• Are you unsure about attending?
• Are you afraid that you might be exposed?
• Are you scared that if exposed it will impact your professional career or a loved one?
• Did you answer yes to any of the above questions? Then be respectful to those who are attending and stay home. It’s that easy

Widely Published Recommendations Emphasize:
• Wearing a mask in public
• Washing hands
• Sanitizing frequently touched surfaces
• Keeping social distance.
